

Curriculum Vitae

Önder Ergönül, MD, MPH
E-mail: oergonul@ku.edu.tr

CURRENT TASKS

- 2011- Chair, Koç University, School of Medicine, Infectious Diseases and Clinical Microbiology Department, and Public Health Department, İstanbul.
- 2011- Chair, American Hospital, Infectious Diseases Department, İstanbul.
- 2013- Full member, Academy of Science, Turkey
- 2011- EC member, Turkish Society of Infectious Diseases and Clinical Microbiology
- 2015- EC member, European Study Group on Antibiotic Policy (ESGAP) of European Society of Clinical Microbiology and Infectious Diseases (ESCMID).
- 2017- EC member, Education Subcommittee of European Society of Clinical Microbiology and Infectious Diseases (ESCMID).
- 2018- EC member, European Society of Clinical Microbiology and Infectious Diseases (ESCMID).

EDUCATION

- 2002-2003 Master of Public Health, Harvard Univ, School of Public Health, Quantitative Methods
- 1991-1996 Residency, Ankara Univ, Med. School, Infectious Dis and Clinical Microbiology Dept
- 1982-1989 Medical Education, Hacettepe University, Medical School, Ankara, Turkey

WORK HISTORY

- 2013-2017 President, Turkish Society of Infectious Diseases and Clinical Microbiology
- 2006-2010 Professor of Infectious Diseases and Clinical Microbiology, Marmara University, School of Medicine, Infectious Diseases and Clinical Epidemiology Department, İstanbul, Turkey
- 2003-2006 Infectious Diseases Specialist/ Assoc. Professor, Ankara Numune Training and Research Hospital Infectious Diseases and Clinical Epidemiology Clinic
- 2000-2002 Research Scholar, University of Utah, Infectious Diseases Department Clinical Epidemiology Division

AWARDS AND PROJECTS

- 2017 Koç University Presidential Award for outstanding research
- 2015 Book of the year award by British Medical Association in Public Health: for Emerging Infectious Diseases: Clinical Case Studies, Elsevier, 2014
- 2013-2014 Principal Investigator, Collaborative initiation of a Human Monoclonal Antibody Development Initiation Project for Crimean-Congo Hemorrhagic Fever, Post-Exposure Prophylaxis and Treatment. NIH, NIAID. Koc University and University of Massachusetts
- 2012-2017 Co-Principal Investigator, International Research Ethics Award, NIH, Fogarty Harvard-Turkey-Eastern Europe-Central Asia (PAR-10-174), Harvard Medical School, Koç University School of Medicine.
- 2007 Turkish Medical Association, Nusret Fişek Public Health Scientific Excellence
- 2008-2011 Steering Committee member, International Network for Capacity Building for the Control of Emerging Viral Vector Borne Zoonotic Diseases (ARBOZONET), European Commission, FP7
- 2007 Principal Investigator, "Transmission Dynamics of *Acinetobacter baumannii* in Intensive Care Units", Turkish National Science Foundation (TUBITAK)
- 2006 Principal Investigator, "Impact of Climatic Parameters on Malaria Prevalence" UNDP-GEF
- 2005 Co-investigator, "The Prevalence of Measles, Mumps, Rubella and Varicella among Health Care Workers", Turkish National Science Foundation (TUBITAK)
- 2004 Principal Investigator, "The Role of QuantiFERON®-TB-Gold Test in Detection Occupational Tuberculosis", Bayındır Hospital, Research Award
- 2001 Co-investigator, "Computer based support tools in Decision Making for Antibiotics" University of Utah, LDS Hospital, Salt Lake City, USA.
- 1996 Co-investigator, "Assessment of Widal Test in Diagnosis of Typhoid Fever" Turkish National Science Foundation (TUBITAK)
- 1979 Scholarship in High School, The Best student in Mathematics in Southeastern Region of Turkey, Turkish National Science Foundation (TUBITAK)

CONTINUOUS EDUCATION

"Introduction to Infectious Diseases Modelling" London School of Hygiene and Tropical Medicine, London, 17-28 July 2006.

"Cost Effectiveness Analysis Course", University of Utah, School of Medicine & University of Pittsburgh, School of Medicine, Haziran 2002, Salt Lake City.

"Biostatistical Methods in Medical Research", University of Utah, School of Medicine, Nisan 2002, Salt Lake City.

MEMBERSHIPS

European Society of Clinical Microbiology and Infectious Diseases (ESCMID)
Turkish Society of Clinical Microbiology and Clinical Infectious Diseases (KLIMIK)
Turkish Medical Association

PUBLICATIONS

Book Editor:

1. **Ergonul O**, Can F, Madoff L, Akova M. Emerging Infections: Clinical Case Studies, Elsevier, 2014.
Comment: <http://www.ncbi.nlm.nih.gov/pubmed/25995206>
2. **Ergonul O** and Whitehouse CA. Crimean Congo Hemorrhagic Fever: A Global Perspective. Springer publications, 2007, the Netherlands. Second Edition is in progress: 2016.
3. Pulcine C, Beovic B, **Ergonul O**, Can F. Antimicrobial Stewardship, Official book of ESCMID, Elsevier, 2017.

JOURNAL PUBLICATIONS IN "SCIENCE CITATION INDEX":

1. Eckerle I, Briciu V, **Ergonul O**, Lupse M, Papa A, Radulescu A, Tsiodras S, Tsitou C, Nussenblatt V, Reusken C, Sigfrid L, Beeching NJ. Emerging souvenirs - imported arbovirus infections in Europe: a case series. *Clin Microbiol Infect* 2017 (submitted).
2. Tekin S, Keske S, Alan S, Batirel A, Karakoc C, Tasdelen-Fisgin N, Simsek-Yavuz S, Bayrak B, Aydin M, Kapmaz M, Yilmaz-Karadag F, **Ergonul O**. Predictors of Fatality in Influenza A Virus Subtypes Infection among inpatients in 2015-2016 season. *J Clin Virol* 2017 (submitted)
3. **Ergönül Ö**, Keske Ş, Çeldir MG, Kara İA, Pshenichnaya N, Abuova G, Blumberg L, Gönen M. The Effectiveness of Post-Exposure Prophylaxis for Crimean-Congo Hemorrhagic Fever Infection among Health Care Workers: Systematic Review and Meta-analysis of Individual Participant Data. *Emerg Infect Dis* 2017 (submitted)
4. Menekşe Ş, Çağ Y, Işık ME, Şahin S, Haciseyitoğlu D, Can F, **Ergonul O**. The impact of colistin resistance on the fatality of bloodstream infection due to *Klebsiella pneumoniae*. *J Hosp Infect* 2017 (Submitted)
5. Saltoglu S, **Ergonul O**, Tulek N, Yemisen M, Kadanalı A, Karagoz G, Batirel A, Ak O, Sonmezer C, Eraksoy H, Çağatay A, Surme S, Nemli SA, Demirdal T, Coskun O, Ozturk D, Ceran N, Pehlivanoglu F, Sengoz G, Aslan T, Akkoyunlu Y, Oncul O, Ay H, Mulazimoglu L, Erturk B, Yilmaz F, Yoruk G, Uzun N, Simsek F, Yildirmak T, Kart-Yaşar K, Sonmezoglu M, Yasar Küçükardali Y, Tuna N, Karabay O, Ozgunes N, Sargın F, and Turkish Clinic Microbiology and Infectious Diseases Society, Diabetic Foot Infections Study Group. Influence of multidrug resistant organism on the outcome of diabetic foot infection. *Int J Infect Dis* 2017 (under revision).
6. Ak Ç, **Ergonul O**, Sencan İ, Torunoglu MA, Gonen M. Predicting spatiotemporal spread of infectious diseases using structured Gaussian process with application to Crimean-Congo haemorrhagic fever. *BMC Infect Dis* 2017 (submitted).
7. Can F, Menekşe S, Ispir P, Atac N, Albayrak O, Demir T, Karaaslan DC, Karahan SN, Kapmaz M, Azap OK, Timurkaynak F, Simsek-Yavuz S, Basaran S, Yoruk F, Azap A, Koculu S, Benzonana N, Lack

- N, Gonen M, **Ergonul O**. The Impact of ST101 Clone in Fatality Among the Patients with Colistin Resistant Klebsiella pneumonia Infection. *J Antimicrobial Chem* 2017 (in press).
8. Keske S, **Ergönül O**, Tutucu F, Karaaslan DC, Palaoğlu E, Can F. The Impact of Rapid Diagnosis of Viral Respiratory Tract Infections in Antimicrobial Stewardship Program. *Eur J Clin Microbiol Infect Dis* 2017 (in press).
 9. REPORTS

1. Coordinator of the report, CIRCE, WHO, Assessment of Health Impact of Climate Change in Turkey, 2009, (in press)
2. Report of the WHO short term consultation, Crimean-Congo Hemorrhagic Fever Outbreak in Tajikistan, 2009 (in press)
3. Report of the ECDC Consultation on Crimean-Congo Hemorrhagic Fever, September 2008, Stockholm.
4. Report of the WHO Consultation on Surveillance for Pandemic Influenza, 10-12 December 2007, Geneva.

Book Editor (in Turkish)

1. Health care related infections, Turkish Society of Clinical Microbiology and Infectious Diseases, Istanbul,
 - a. 2012
 - b. 2014
2. Ticks and Crimean-Congo Hemorrhagic Fever, Nobeltıp, Istanbul, 2011.

INTERNATIONAL MEETINGS

Organizer

1. President, Infectious Diseases and Clinical Microbiology Congress, by Turkish Society of Clinical Microbiology and Infectious Diseases (KLİMİK), 24-29 March 2015, Antalya.
2. Scientific Program Committee member, International Meeting on Emerging Diseases, 31 October-3 November 2014, Vienna.
3. Human RNA Viruses, EMBO, ICGEB, Koç University, 6-8 October 2014, Istanbul.
4. Endemic and Emerging Infectious Diseases of Priority in the Middle East and North Africa Research Opportunities and Biosafety in a Changing Environment. National Institute of Allergy and Infectious Diseases of the National Institutes of Health (NIH/NIAID), United States Department of Health and Human Services in partnership with the U.S. Department of State, Bioengagement Program (DOS/BEP), Defence Science and Technology Laboratory (Dstl), Porton Down/UK, and Koç University, Istanbul, June 18 - 21, 2012, Istanbul, Turkey.
5. Summer Course on Research Methodology in Medical Sciences, Koç University, School of Medicine, Harvard University, and Istanbul Health Directorate. Supported by NIH.
 - a. July 19-23, 2010, Istanbul
 - b. July 18-22, 2011, İstanbul
 - c. July 9-13, 2012, Istanbul
 - d. June 24-July 5, 2013, Istanbul
 - e. June 16-27, 2014, Istanbul
6. Interventions against West Nile Fever, Rift Vally Fever and Crimean-Congo Hemorrhagic Fever: Where are we? Arbozoonet, FP7 project, November 19-20 2009, Istanbul.

7. European Society of Clinical Microbiology and Infectious Diseases (ESCMID) symposium on Viral Hemorrhagic Fevers, 27-28 June 2008, Istanbul, Turkey
8. International Network for Capacity Building for the Control of Emerging Viral Vector Borne Zoonotic Diseases: Crimean-Congo Hemorrhagic Fever, Rift Valley Fever and West Nile Fever (ARBOZOONET), FP7 Project, kick-off meeting, 26 June 2008, Istanbul

Chair

1. "Epidemiology of Methicilline Resistant Staphylococcus aureus infections", ASM Microbes, 20 June 2016, Boston, USA.
2. "Health care associated emerging infections", International Meeting on Emerging Diseases, 31 October-3 November 2014, Vienna.
3. "Tick Borne Encephalitis", Emerging and Re-Emerging Infectious Diseases in Central and Eastern Europe, September 21-24 2009, Sofia, Bulgaria.
4. "Crimean-Congo Hemorrhagic Fever: Euroasian Perspective", ESCMID symposium on Viral Hemorrhagic Fevers, 27-28 June 2008, Istanbul, Turkey
5. "Emerging Infections in Europe", ECCMID, Barcelona, 19-22 April 2008, Barcelona, Spain.
6. "Clinical Management and Infection Control for CCHF patients", World Health Organization meeting on Crimean Congo Hemorrhagic Fever: Prevention and Control, 6-8 November 2006, Istanbul.
7. "Emerging viral infections", 15th European Congress of Clinical Microbiology and Infectious Diseases (ECCMID), April 2-5, 2005, Copenhagen.

International Conferences

1. Moscow
2. Berlin
3. Infectious Diseases Issues of Refugees in Turkey, Medecins Sans Frontieres Training, 27-31 March 2017, Koç University, Istanbul.
4. Crimean-Congo Hemorrhagic Fever, 7-10 March 2017, Madrid
5. Infectious Diseases Issues of Refugess in Turkey, MENA Regional Conference, ESCMID, 4-5 March 2017, Beirut
6. Crimean-Congo Hemorrhagic Fever. International Meeting on Emerging Diseases (ISID), 4-7 November 2016, Vienna.
7. Antifungal Stewardship: A Practical and Integrated approach, 7-8 April 2016, ESCMID/ESGAP course, IJmuiden aan Zee, Amsterdam, Netherlands.
8. Crimean-Congo Hemorrhagic Fever. Viral Hemorrhagic Fever Workshop, World Health Organization, 4-6 April 2016, Robert Koch Institut, Berlin.
9. Crimean-Congo Hemorrhagic Fever. February 2016, Thessaloniki.

10. Emerging infections in Mediterranean Basin and Eastern Europe, May 18-21 2015, Sicily, Italy.
11. Therapy of Crimean-Congo Hemorrhagic Fever, 1st International Conference on Crimean-Congo Hemorrhagic Fever, February 13-14 2015, Thessaloniki, Greece.
12. Modelling Climate Change in Leishmaniasis and Crimean-Congo Hemorrhagic Fever. LEISHOP meeting, Institute Catalan, Climate Changes, December 1-2, 2014, Barcelona, Spain.
13. Crimean-Congo Hemorrhagic Fever, Human RNA Viruses, EMBO, ICGEB, Koç University, Istanbul, 6-8 October 2014.
14. Crimean-Congo Hemorrhagic Fever: Why do we need a model?, Ohio, Columbus, 8 April 2014.
15. Emerging Viral Vector Borne Zoonotic Disease. 21st Century Drug Design and Precision Medicine, October 31, 2012, Istanbul.
16. Crimean-Congo Hemorrhagic Fever. Endemic and Emerging Infectious Diseases of Priority in the Middle East and North Africa Research Opportunities and Biosafety in a Changing Environment. National Institute of Allergy and Infectious Diseases of the National Institutes of Health (NIH/NIAID), United States Department of Health and Human Services in partnership with the U.S. Department of State, Bioengagement Program (DOS/BEP), Defence Science and Technology Laboratory (Dstl), Porton Down/UK, and Koç University, Istanbul, June 18 - 21, 2012, Istanbul, Turkey.
17. Crimean-Congo Hemorrhagic Fever, 22nd European Congress on Clinical Microbiology and Infectious Diseases, 31 March- 3 April 2012, London.
18. Crimean-Congo Hemorrhagic Fever, 21 March 2012, University of Texas Medical Branch, Galveston.
19. Crimean-Congo Hemorrhagic Fever, Viral Hemorrhagic Fevers: Meet the expert, Bernard Noch Institute, 14 October 2011, Hamburg.
20. Crimean-Congo Hemorrhagic Fever, International Meeting on Emerging Vector Borne Viral Diseases, September 9, 2011, Italian Virologic Society, Padova
21. Emerging Infections in Turkey: Do we need biosafety laboratories? Workshop on Biosecurity, American National Academy of Science, 11-13 Temmuz 2011, İstanbul.
22. "Infection control in emerging infections", 9th 3M European Infection Prevention Expert Conference, Dusseldorf, March 30 2011.
23. "Crimean-Congo Hemorrhagic Fever", Infezioni Virali Trasmesse da vettore: un rischio emergente per la salute dell'uomo, 18 September 2010, University of Bologna, Bologna, Italy.
24. "Viral Hemorrhagic Fevers", ESCMID Summer School, July 3-9 2010, Capadocia, Turkey.
25. "Occupational Brucellosis", Brucellosis: Epidemiological, Microbiological, Clinical and Therapeutic Aspects", Postgraduate Education Course, ESCMID-KLIMIK, Kuşadası, 6-7 May 2010.

26. "Crimean-Congo Hemorrhagic Fever", WHO meeting on Emerging Infections, Verona, April 2010.
27. "Interventions against Viral Hemorrhagic Fever", Arbozoonet FP7, November 2009, İstanbul, Turkey.
28. "Crimean-Congo Hemorrhagic Fever", 12th Annual European Society of Clinical Virology Meeting (ESCV), 30 September 2009, İstanbul, Turkey.
29. "Crimean-Congo Hemorrhagic Fever in Turkey", Emerging and Re-Emerging Infectious Diseases in Central and Eastern Europe, September 21-24 2009, Sofia, Bulgaria.
30. "Crimean-Congo Hemorrhagic Fever: Recent Outbreaks", Interscience Conference on Antimicrobial Agents and Chemotherapy (ICAAC), 14 September 2009, San Fransisco, USA
31. "Viral Hemorrhagic Fevers", 6th European Congress on Tropical Medicine and International Health (ECTMIH), September 6-10 2009, Verona, Italy
32. "Climate Change and Crimean-Congo Hemorrhagic Fever", European Congress of Internal Medicine, May 29 2009, İstanbul
33. "Crimean-Congo Hemorrhagic Fever", Ticks and Other Arachnids Correlated with Health Risks, Fondazione Iniziative Zooprofilattiche E Zootechniche, 20 May 2009, Brescia, Italy
34. "İstanbul: a gate against incoming diseases from Central Asia", 23 April 2009, St. George Day, ESCMID Conference, Malta.
35. "Crimean-Congo Hemorrhagic Fever", International Meeting on Emerging Diseases (IMED), International Society of Infectious Diseases (ISID), 14 February 2009, Vienna, Austria.
36. "Crimean-Congo Hemorrhagic Fever", Symposium on Emerging Vector Borne Viral Diseases, Central Veterinary Institute, Wageningen, 28 November 2008, Netherlands.
37. "Crimean-Congo Hemorrhagic Fever in Turkey", European Center for Disease Control and Prevention (ECDC), 19 September 2008, Stockholm.
38. "Viral Hemorrhagic Fevers", ESCMID symposium on Viral Hemorrhagic Fevers, 27-28 June 2008, İstanbul, Turkey
39. Treatment of Crimean-Congo Hemorrhagic Fever, ESCMID symposium on Viral Hemorrhagic Fevers, 27-28 June 2008, İstanbul, Turkey
40. "Crimean-Congo Hemorrhagic Fever", "Arboviruses: An Increasing Threat For Temperate Regions", Istituto Superior Di Sanita, Rome, May 26-27, 2008
41. Newly Created Influenza Surveillance Systems since H5N1 appeared: Options for Pandemic Situation, WHO, Geneva, 10-12 Aralık 2007.
42. "Treatment of Crimean Congo Hemorrhagic Fever", the workshop on "Treatment of Viral Hemorrhagic Fever", Biodefense Clinical Research Branch and the Integrated Research Facility, Division of Clinical Research, NIAID/NIH, February 25-27, 2007, Washington DC, USA.

43. "Treatment of Crimean Congo Hemorrhagic Fever", World Health Organization meeting on Crimean Congo Hemorrhagic Fever: Prevention and Control, 6-8 November 2006, Istanbul.
44. "Crimean-Congo Haemorrhagic Fever: An emerging disease in Turkey", University of Copenhagen, organised by the Danish Society for Tropical Medicine & International Health, Copenhagen, 5 April 2005.
45. "The clinical and epidemiological characteristics of Crimean Congo Hemorrhagic Fever, and impact of ribavirin therapy", 15th European Congress of Clinical Microbiology and Infectious Diseases, April 2-5, 2005, Copenhagen, Denmark.
46. "Historical development of health care system in Turkey", Harvard School of Public Health, World Health Forum, October 20 2002.
47. "Antimicrobial Decision Making in Hospitals: Assessment and Improvement", July 01 2002, University of Utah School of Medicine. Accredited by the Accreditation Council for Continuing Medical Education (ACCME)

International review boards

1. Raquel Rodrigues, on "Modulation of target cells induced by Crimean-Congo Hemorrhagic fever virus: the contribution in the pathogenesis of the disease", Academic dissertation, Universite Claude Bernard Lyon, Ecole Normal Superieure de Lyon, Philosophical degree, January 11, 2011, Lyon.

International presentations:

Oral presentations:

DUTIES IN JOURNALS

1. **Associate Editor**, Clinical Microbiology and Infection, ESCMID, official journal, impact factor 5.197. (2013-2015).
2. **Statistics editor**, KLIMIK journal (The Official Journal of Turkish Society of Infectious Diseases and Clinical Microbiology)
3. **Member of Editorial Board**
 1. Clinical Microbiology and Infection, 2011-
 2. Postgraduate Medical Education Journal, Turkish Medical Association
 3. Pediatric Infectious Diseases, Turkish Society of Pediatric Infectious Diseases
 4. Archives of Cardiology, Turkish Cardiology Association, 2009-2014.

Teaching activities in Courses

1. Director, “Research Methods in Health Sciences”, Koç University, Harvard University, and Istanbul Health Directorate; 2 week course, 2010-2014.
2. Organizer and faculty “Advanced statistics courses”, Marmara University, Medical School; 2007-2009.
3. “How to write scientific paper”, Marmara University, Medical School, 2009
4. Hospital Infections, Training for trainer, 28 May-1 June 2007, Ankara
 - a. “Health of Health Care Workers”
 - b. “Management of Infection Control Programs in Hospitals”
5. “Occupational Infections”, In “**Courses on Occupational Health**”, Turkish Medical Association, Turkey; 1997-2000 and 2003-2009.
6. “Epidemiology and Infection Control”, “**Hospital Administration Courses**”, Bahçeşehir University, 7 March 2006, İstanbul

7. "Epidemiology and Hospital Epidemiology", "**Course on Hospital Infections**", The Society for Hospital Infections, 5 April 2006, Ankara

Professional Activities

1. Member of Jury for Sedat Simavi Health Sciences Award.
2. Chair, III. Health care related infections symposium, Turkish Society of Clinical Microbiology and Infectious Diseases, 7-9 March 2014, Istanbul.
3. Full member of Science Academy, Turkey, 2013 -
4. Chair, Turkish Society of Clinical Microbiology and Infectious Diseases, 2013 –
5. Secretary General, National Conference, Clinical Microbiology and Infectious Diseases, by Turkish Society of Clinical Microbiology and Infectious Diseases, March 13-18 2013, Antalya.
6. Secretary General, II. Health care related infections symposium, Turkish Society of Clinical Microbiology and Infectious Diseases, 9-11 March 2012, İstanbul.
7. Secretary general, Turkish Society of Clinical Microbiology and Infectious Diseases, 2011-2013.
8. Expert Consultation on Crimean Congo Hemorrhagic Fever Outbreak in Dushanbe, World Health Organization, Tajikistan, 2009
9. Expert Consultation on Crimean Congo Hemorrhagic Fever, ECDC, 2009, Stockholm
10. European Union, FP7 (Framework 7) scientific reviewer, 2007, Brussels
11. Expert consultation on pandemic influenza, World Health Organization, 2007, Geneva.
12. **Medical Director**, Turkish Red Crescent, Sri Lanka Post-Tsunami aid, 29 January-19 February, 2005.
13. **Secretary general**, 1st congress on Health of Health Care Workers, 26-28 November 1999, Ankara, Turkey
